Workers' Compensation Reporting Instructions

All first reports may be reported to Safeco Insurance at the toll free claims reporting number, (800)332-3226, or you may fax the first report of injury form to (866)378-3661. Once a first report has been received by Safeco, the claim will be set up and assigned to a claims adjuster who will make contact in 24-48 hours. Any subsequent items (medical invoices, reports, etc.) may be faxed or mailed direct to:

**SAFECO INSURANCE
PO Box 461
St Louis, MO 63166
866-378-3661**

Any questions regarding lost-time payment to injured workers, unpaid invoices, etc., may be directed to your Safeco claims adjuster or any representative at (800)332-3226. It is recommended that you still keep a copy of any items sent to Safeco in case any problems arise requiring your agent's assistance.

If at any time you have questions, please feel free to call your Gibson Insurance claims representative for assistance at (800) 814-2122.
