Gibson Insurance Group Inducted into Tiger Trust from Surety Information Office

SOUTH BEND/PLYMOUTH, INDIANA, 05/09/07 – The Surety Information Office (SIO) has inducted Gibson Insurance Group into its prestigious *Tiger Trust*. The *Tiger Trust* is an elite honorary society of surety industry professionals who work with private construction project owners or lenders to ensure that contract surety bonds are specified on their projects.

The Tiger Trust plaque and pin were presented April 25, 2007 at the annual meeting of the National Association of Surety Bond Producers (NASBP) in Phoenix, Arizona and will also be announced at The Surety Association of America's annual meeting in Washington, DC.

Surety bonding is a careful, rigorous, and professional process in which surety companies and surety bond producers pre-qualify contractors to assure project owners that the contractors are capable of performing the contract and paying certain laborers, subcontractors, and suppliers.
