Gibson Insurance Group Receives President's Club Award from Accident Fund

SOUTH BEND/PLYMOUTH, INDIANA, 4/13/06 – Gibson Insurance Group was honored with the President's Club Award from Accident Fund on March 24, 2006, the 2nd highest accolade bestowed on agencies that represent them. 2005 marks the 3rd year in a row Gibson has received this honor.

The President's Club Award is an annual award recognizing agencies for both their relationship and performance. 700 agencies in 10 states were eligible for the award and less than 7% received this honor.

The criteria used for this national tribute included the strength of the working relationship and production. To qualify, an agency had to exceed their profitability goal and have high premium and policy retention. This year the President's Club award winners accounted for nearly 30 percent of Accident Fund's total written premium.
